SPIRIT WEEK!

By Ellie Perryman

Leadership has put together an amazing spirit week! Monday is kicking it off with **monochromatic day** - dress in all one color. Followed by **pajama day** on Tuesday, just roll out of bed. Wednesday is **royal day** - wear your crown and pantaloons. Thursday will blow your mind with **goth day** (see below). We wrap up the week with none other than **superhero day**, make a cape or go all out! Last year we had some outstanding costumes. Hopefully this year we will hit it out of the park with some crazy outfits.

Rubbish Renewed

By Maxwell Friedman

Get ready for the 2016 Rubbish Renewed Eco Fashion Show! Karin and the kids in her elective are busy making outfits for the show that is coming in January, next year. Not only are the students busy making garments, but also are adults all over bend. I have interviewed Amy who is responsible for all the Rubbish Renewed's in the past.

Me: What is the main purpose of rubbish renewed?

Amy: There are two main purposes. The first is that it is REALMS biggest fundraiser. The second is education. We want to help people think about waste and consumption, turning our unconscious choices and habits conscious.

Inspirational Quote

If you don't go after what you want, you'll never have it. If you don't ask, the answer is always no. If you don't step forward, you're always in the same place.

Miss Know-It-All

Submit your questions to Miss –Know-It-All in the boxes in Laurie’s room and in the box by the front water fountain.

Dear Miss-Know-it-All,

I have Horrible acne! Please help.
-Pimples

Dear pimples,

I don't feel I am in the position to tell you what you should do with your acne. Somethings help acne for one person and make it worse for another, but acne always fades away in a couple of years, and anyway, how you feel on the inside reflects how you are on the outside.

Dear miss-Know-It-All,

I love to bake, but every time I try I nearly burn down my kitchen. I think there should be a backing elective.
-Cupcake disaster

Dear Cupcake disaster,

Well, there is Pie In The Sky where you bake pizza. But if you really want a separate elective talk to a teacher. I recommend Laurie, Roger, Leah, or Todd.

Dear Miss-Know-it-All,

I keep getting lost. Please help.
-Lost-A-Lot

Dear Lost-A-Lot

I have a few recommendations.

- 1: Stop where you are before you leave the house and make sure that you know where you are going.
- 2: Look around yourself as you walk to prevent getting lost.
- 3:Talk to a adult.

Basketball Ball Trivia

REALMS After School Programs – Robotics

By Caleb Stearns

Here at realms we have a club after school called ROBOTICS!!! In robotics there is a series of challenges that our robots have to complete in order to score points in the competition. The highest amount of points WINS. There is a way to build an efficient robot. All you need to do is have a plan on which way you want to score. Once there is a plan then you build the shell and put on motors with wheels. Then you put on all the

circuit controls with the programming. Then you tell your robot what to do with a controller to score points. Our robot has 4 wheels and is a cube with a scoop on the front of the robot to push debris into goals. We are still working on programming so we can get our robot to move. We also built on to our robot so that is better with directional control.

Challenge of the Month!!

Jump rope for five minutes and see how many jumps you can do!

Rubbish Renewed Continued.....

Me: How can someone get involved in this fundraiser?

Amy: They can get all the information they need at www.RubbishRenewed.com. They should also know how to get a garment on the runway. The deadline for submissions is December forth. The submission form is on the website. We have a student show and an adult show. Realms students do not get a break and

have to submit the same way as everyone else.

Me: When can people get tickets?

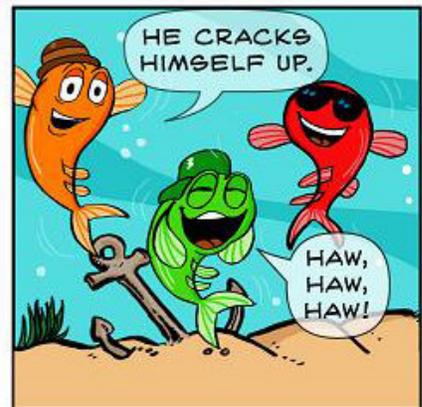

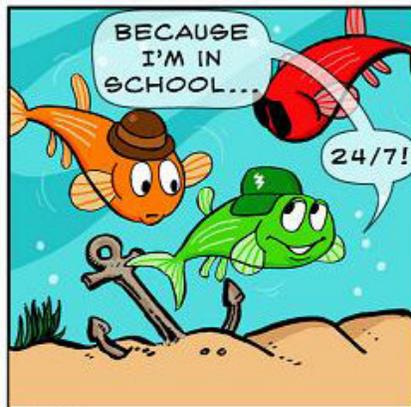

Amy: Tickets will also be on the website December fourteenth a before the

REALMS Gaga Ball Tournament

By Thea Brown

Three weeks ago, the first ever REALMS Gaga Ball Tournament was a huge success. Ella N. filmed a ten-minute video of the entire tourney and she says the tournament was "outstanding". Jake F. was proud that "he won a round" and admitted that "it was hard". Annalise S. said it was "weird" being the last girl standing" in the tournament. 6th grade Jack got second place. He commented that "mainly in the start I stayed on the wall but towards the end I started charging at the ball." Thanks to all the helpers for making the tournament a big success!
